

Over the last two weekends, the atmosphere at the St Paul's Boy's School swimming pool has crackled with excitement as SPBSC held their annual Club Championships.

There were great performances from swimmers young and old. PB's, County and Regional qualifying times abounded and races were hard fought with many thrilling and exciting finishes.

Swimmers as young as 6 and 7 dived competently off the blocks and raced their hearts out. The National Swimmers carved up the pool and showed all gathered exactly how it was done. Even the parents joined in as Coach Damien had persuaded some of his Pre Masters Squad to 'have a go'. There was much cheering as Mums and Dads competed with varying levels of competency and bags of enthusiasm!

The behaviour of the swimmers across the squads, their encouragement and support for their fellow competitors and the respect showed in keeping their home pool clean and tidy was exemplary – well done all!

A huge thanks to ALL the parents who contributed to the running of these Championships. Whips, Time Keepers, Stroke Judges, Starters, Refreshment providers, Data Entry Team, Fencing Salle Patrol, to ALL of you – MANY ,MANY THANKS! Without the time and dedication of these volunteers these Championships simply wouldn't happen.

Please do join us to celebrate the achievements of all swimmers at the Club at the [Annual Awards Ceremony](#) held in the SPS dining hall on Sunday 09 October (11.00 - 13.00).

Finally, the lost property box is FULL! Please have a route through and see if any of its contents belong to you or your child.

The Season is ahead of us and this has got us off to a great start. No Limits!

Martin Jurco  
Head Coach
