

Blue and Orange sweatshirts were quite a presence last weekend at the Epsom Winter Open Meet. SPBSC were noticed - and for all the right reasons!

72 swimmers from across all squads competed in this gala and from the youngest to the oldest, success and fun were had by all. Out of 283 swims 197 new PB's were achieved, 70 new County times brought in and a whopping 72 medals picked.

This was the club's most successful gala to date and after only 16 months since forming we were proud to bring home the Top Visiting Club Trophy - every swimmer should be proud of their contribution.

Special mentions must go to Christy Moon who was awarded Top Junior Boy, picking either a gold or silver in every event he swam, Bella Padt was 3<sup>rd</sup> Top Junior Girl and Georgina Boyle was 2<sup>nd</sup> Top Senior Girl.

Our supporters were out in force again at what may have been the hottest viewing gallery so far! Huge thanks to those parents and carers that cheered the swimmers on over the weekend. We should mention that the club received a message of thanks from the organisers for the help in time keeping and a special mention as to how well the swimmers had behaved.

**ONWARDS AND UPWARDS – NO LIMITS!**
