SWIMMING CLUB

GUILDFORD CITY OPEN MEET

Swimmers of Performance Squads enjoyed a fantastic weekend of racing at the Guildford Open meet last weekend. This meet had a very demanding schedule with a full programme including 400 Free and IM. The standard of competition was high at this Level 2 meet with big clubs attending from Surrey and beyond. Our performance swimmers of Regional and County squads entered this meet with a clear goal of practising for the Surrey County Championships. Swimmers focused on middle distance races and swam across all strokes including individual medley.

Overall it was a fantastic meet. Out of 103 races swimmers achieved 79 Personal Best times and 57 NEW SURREY QUALIFYING TIMES. We also picked 11 medals.

Anoushka Maini, our youngest swimmer, picked up bronze

Isabella Padt : gold, silver and bronze

Chloe Close: 3 silvers

Christy Moon: silver and bronze

Nick Maini: silver

Joshua Lawson: bronze

The swimmers were professional and focused in their approach to this competition but also found time to join the other clubs around the pool for a mass MACARANA – a fun spectacle indeed!

Many thanks to the supporters whose staying power over a very long weekend was much appreciated by swimmers and coaches alike.
